Easter Sunday

Easter is the celebration of Christ's resurrection from the dead. It is celebrated on Sunday, and marks the end of Holy Week, the end of Lent, the last day of the Easter Triduum (Holy Thursday, Good Friday and Easter Sunday), and is the beginning of the Easter season of the liturgical year.

As we know from the Gospels, Jesus Christ rose from the dead on the third day following his crucifixion, which would be Sunday. His resurrection marks the triumph of good over evil, sin and death. It is the singular event which proves that those who trust in God and accept Christ will be raised from the dead.

Since Easter represents the fulfillment of God's promises to mankind, it is the most important holiday on the Christian calendar.

In the Gospels, the precise details of the Easter narrative vary slightly, but none of these variances are critical to the main story. In fact, it is argued that the variances are simply matters of style and not substance. Despite the variances, the key aspects of the Easter story all match. Above all, they agree that the tomb of Christ was indeed empty, which is the most essential fact.

Based on direct evidence from the mid-second century, it is believed that Easter was regularly celebrated from the earliest days of the Church.

The Easter date is movable and always falls on a Sunday between March 22 and April 25. Easter in the Roman Catholic Church is always on the first Sunday after the first full moon after the spring equinox.

Most Catholics attend Easter Vigil at midnight, although the services can be lengthy because many sacraments are performed, such as baptisms and Rite of Christian Initiation for Adults, during the Mass. Services during the daytime on Easter are shorter and well attended.

Sunrise services are common, but are distinctly Protestant. Sunrise services are gathered before dawn and reflect the arrival of the women at Jesus' tomb early in the morning. The services take place outdoors, often in church yards, cemeteries, or in parks, and are timed so the sun will rise during the course of worship.

Traditional family activities vary by region. In the United States, children often hunt for Easter eggs, which are often brightly-dyed hard boiled eggs, though they can be plastic eggs filled with candy or small denominations of money. Candy is a traditional gift for Easter as children often break their Lenten fasts with sweets. Adults tend to share bouquets of flowers, greeting cards, and may gather for a family meal. Such celebrations are often secularized and focused on children and family rather than the religious aspect of the holy day.

Following Easter Sunday, the season of Easter begins and lasts for seven weeks, ending with Pentecost.

Domingo de Pascua

La Pascua es la celebración de la resurrección de Cristo de los muertos. Se celebra el domingo y marca el final de la Semana Santa, el final de la Cuaresma, el último día del Triduo Pascual (Jueves Santo, Viernes Santo y Domingo de Pascua), y es el comienzo de la temporada de Pascua del año litúrgico. Como sabemos por los Evangelios, Jesucristo resucitó de los muertos al tercer día después de su crucifixión, que sería el domingo. Su resurrección marca el triunfo del bien sobre el mal, el pecado y la muerte. Es el evento singular que prueba que aquellos que confían en Dios y aceptan a Cristo serán resucitados de la muerte. Dado que la Pascua representa el cumplimiento de las promesas de Dios a la humanidad, es la fiesta más importante del calendario cristiano.

En los Evangelios, los detalles precisos de la narrativa de Pascua varían ligeramente, pero ninguna de estas variaciones es crítica para la historia principal. De hecho, se argumenta que las variaciones son simplemente cuestiones de estilo y no sustancia. A pesar de las variaciones, los aspectos clave de la historia de Pascua coinciden. Sobre todo, están de acuerdo en que la tumba de Cristo estaba vacía, lo cual es el hecho más esencial.

Basado en evidencia directa de mediados del siglo II, se cree que la Pascua se celebraba regularmente desde los primeros días de la Iglesia. La fecha de Pascua es móvil y siempre cae en domingo entre el 22 de marzo y el 25 de abril. La Pascua en la Iglesia Católica Romana es siempre el primer domingo después de la primera luna llena después del equinoccio de primavera. La mayoría de los católicos asisten a la Vigilia Pascual a la medianoche, aunque los servicios pueden ser largos porque se realizan muchos sacramentos, como los bautismos y el Rito de Iniciación Cristiana para Adultos, durante la Misa. Los servicios durante el día en Pascua son más cortos y bien atendidos. Los servicios de Sunrise son comunes, pero son claramente protestantes. Los servicios de la salida del sol se reúnen antes del amanecer y reflejan la llegada de las mujeres a la tumba de Jesús temprano en la mañana. Los servicios se realizan al aire libre, a menudo en patios de iglesias, cementerios o parques, y están programados para que el sol salga durante el curso de la adoración.

Las actividades familiares tradicionales varían según la región. En los Estados Unidos, los niños a menudo cazan huevos de Pascua, que a menudo son huevos duros teñidos de colores brillantes, aunque pueden ser huevos de plástico llenos de dulces o pequeñas denominaciones de dinero. Los dulces son un regalo tradicional para la Pascua, ya que los niños a menudo rompen sus ayunos cuaresmales con dulces. Los adultos tienden a compartir ramos de flores, tarjetas de felicitación y pueden reunirse para una comida familiar. Tales celebraciones a menudo se secularizan y se centran en los niños y la familia, más que en el aspecto religioso del día santo. Después del domingo de Pascua, la temporada de Pascua comienza y dura siete semanas, terminando con Pentecostés.
