**Saint Mary Magdalene**

St. Mary Magdalene is one of the greatest saints of the Bible and a legendary example of God's mercy and grace. The precise dates of her birth and death are unknown, but we do know she was present with Christ during his public ministry, death and resurrection. She is mentioned at least a dozen times in the Gospels. Mary Magdalene has long been regarded as a prostitute or sexually immoral in western Christianity, but this is not supported in the scriptures. It is believed she was a Jewish woman who lived among Gentiles, living as they did.

The Gospels agree that Mary was originally a great sinner. Jesus cast seven demons out of her when he met her. After this, she told several women she associated with and these women also became followers.

There is also debate over if Mary Magdalene is the same unnamed woman, a sinner, who weeps and washes Jesus' feet with her hair in the Gospel of John.

Scholars are skeptical this is the same person.

Despite the scholarly dispute over her background, what she did in her subsequent life, after meeting Jesus, is much more significant. She was certainly a sinner whom Jesus saved, giving us an example of how no person is beyond the saving grace of God.

During Jesus' ministry, it is believed that Mary Magdalene followed him, part of a semi-permanent entourage who served Jesus and his Disciples. Mary likely watched the crucifixion from a distance along with the other women who followed Christ during His ministry. Mary was present when Christ rose from the dead, visiting his tomb to anoint his body only to find the stone rolled away and Christ, very much alive, sitting at the place they laid Him. She was the first witness to His resurrection.

After the death of Christ, a legend states that she remained among the early Christians. After fourteen years, she was allegedly put into a boat by Jews, along with several other saints of the early Church, and set adrift without sails or oars. The boat landed in southern France, where she spent the remaining years

of her life living in solitude, in a cave. St. Mary Magdalene's feast day is July 22. She is the patroness of converts, repentant sinners, sexual temptation, pharmacists, tanners and women, and many other places and causes.

**Santa María Magdalena**

Santa María Magdalena es una de las más grandes santas de la Biblia y un ejemplo legendario de la misericordia y gracia de Dios. Se desconocen las fechas precisas de su nacimiento y muerte, pero sabemos que ella estuvo presente con Cristo durante su ministerio público, muerte y resurrección. Ella se menciona al menos una docena de veces en los Evangelios.

Mary Magdalene ha sido considerada durante mucho tiempo como una prostituta o sexualmente inmoral en el cristianismo occidental, pero esto no está respaldado en las Escrituras. Se cree que ella era una mujer judía que vivía entre gentiles, viviendo como ellos.

Los Evangelios coinciden en que María fue originalmente una gran pecadora. Jesús arrojó siete demonios fuera de ella cuando la conoció. Después de esto, le dijo a varias mujeres con las que se asoció y estas mujeres también se convirtieron en seguidores. También se debate si María Magdalena es la misma mujer sin nombre, una pecadora, que llora y lava los pies de Jesús con su cabello en el Evangelio de Juan. Los eruditos son escépticos, esta es la misma persona.

A pesar de la disputa académica sobre sus antecedentes, lo que hizo en su vida posterior, después de conocer a Jesús, es mucho más significativo. Ella ciertamente fue una pecadora a quien Jesús salvó, dándonos un ejemplo de cómo ninguna persona está más allá de la gracia salvadora de Dios.

Durante el ministerio de Jesús, se cree que María Magdalena lo siguió, parte de un séquito semipermanente que sirvió a Jesús y sus Discípulos. Es probable que María haya visto la crucifixión desde la distancia junto con las otras mujeres que siguieron a Cristo durante su ministerio. María estaba presente cuando Cristo resucitó de los muertos, visitando su tumba para ungir su cuerpo solo para encontrar la piedra rodada y Cristo, muy vivo, sentado en el lugar donde lo colocaron. Ella fue el primer testigo de su resurrección.

Después de la muerte de Cristo, una leyenda dice que ella permaneció entre los primeros cristianos. Después de catorce años, los judíos la llevaron supuestamente a un bote, junto con varios otros santos de la Iglesia primitiva, y la pusieron a la deriva sin velas ni remos. El barco aterrizó en el sur de Francia, donde pasó los años restantes de su vida viviendo en soledad, en una cueva.

La fiesta de Santa María Magdalena es el 22 de julio. Es la patrona de los conversos, los pecadores arrepentidos, la tentación sexual, los farmacéuticos, los curtidores y las mujeres, y muchos otros lugares y causas.
