SUNDAY COLLECTION

3/14/21: \$1,869.00

Saint Turibius of Mogrovejo's Story **Historia de San Turibio de Mogrovejo**

Together with Rose of Lima, Turibius is the first known saint of the New World, serving the Lord in Peru, South America, for 26 years. Born in Spain and educated for the law, he became so brilliant a scholar that he was made professor of law at the University of Salamanca and eventually became chief judge of the Inquisition at Granada. He succeeded too well. But he was not sharp enough a lawyer to prevent a surprising sequence of events. When the archdiocese of Lima in Peru required a new leader, Turibius was chosen to fill the post: He was the one person with the strength of character and holiness of spirit to heal the scandals that had infected that area. He cited all the canons that forbade giving laymen ecclesiastical dignities, but he was overruled. Turibius was ordained priest and bishop and sent to Peru, where he found colonialism at its worst. The Spanish conquerors were guilty of every sort of oppression of the native population. Abuses among the clergy were flagrant, and he devoted his energies and suffering to this area first. He began the long and arduous visitation of an immense archdiocese, studying the language, staying two or three days in each place, often with neither bed nor food. Turibius confessed every morning to his chaplain, and celebrated Mass with intense fervor. Among those to whom he gave the Sacrament of Confirmation was the future Saint Rose of Lima, and possibly the future Saint Martin de Porres. After 1590, he had the help of another great missionary, Francis Solanus, now also a saint. Though very poor his people were sensitive, dreading to accept public charity from others. Turibius solved the problem by helping them anonymously.

Junto con Rosa de Lima, Turibius es el primer santo conocido del Nuevo Mundo, sirviendo al Señor en Perú, Sudamérica, durante 26 años. Nacido en España y educado en derecho, se convirtió en un erudito tan brillante que fue nombrado profesor de derecho en la Universidad de Salamanca y, finalmente, juez superior de la Inquisición en Granada. Lo consiguió demasiado bien. Pero no fue lo suficientemente inteligente como abogado para evitar una secuencia sorprendente de eventos. Cuando la arquidiócesis de Lima en Perú requirió un nuevo líder, Turibius fue elegido para ocupar el puesto: era la única persona con la fuerza de carácter y la santidad de espíritu para sanar los escándalos que habían infectado esa zona. Citó todos los cánones que prohibían dar dignidades eclesiásticas a los laicos, pero fue rechazado. Turibius fue ordenado sacerdote y obispo y enviado a Perú, donde encontró el colonialismo en su peor momento. Los conquistadores españoles fueron culpables de todo tipo de opresión de la población nativa. Los abusos entre el clero eran flagrantes, y él dedicó primero sus energías y sufrimiento a esta área. Comenzó la larga y ardua visita de una inmensa arquidiócesis, estudiando el idioma, permaneciendo dos o tres días en cada lugar, muchas veces sin cama ni comida. Turibius se confesó todas las mañanas a su capellán y celebró la Misa con intenso fervor. Entre aquellos a quienes les dio el Sacramento de la Confirmación estaba la futura Santa Rosa de Lima, y posiblemente el futuro San Martín de Porres. Después de 1590, contó con la ayuda de otro gran misionero, Francisco Solano, ahora también santo. Aunque muy pobre, su gente era sensible y temía aceptar la caridad pública de otros. Turibius resolvió el problema ayudándolos de forma anónima.

Announcements
